- ◆ In 1789, George Washington elected president. Only 6% of the population can vote. In 1790 Citizens = White Naturalization Law passed. It explicitly states that only “free white” immigrants can become naturalized citizens.
- ◆ Passed by Congress June 4, 1919, and ratified on August 18, 1920, the 19th amendment granted women the right to vote. The 19th amendment guarantees all American women the right to vote.
- ◆ The Snyder Act of 1924 admitted Native Americans born in the U.S. to full U.S. citizenship. Though the Fifteenth Amendment, passed in 1870, granted all U.S. citizens the right to vote regardless of race, it be not until the Snyder Act that Native Americans could enjoy the rights granted by this amendment.
- ◆ The Voting Rights Act of 1965, signed into law by President Lyndon B. Johnson, aimed to overcome legal barriers at the state and local levels that prevented African Americans from exercising their right to vote as guaranteed under the 15th Amendment to the U.S. Constitution.

During World War II, President Franklin D. Roosevelt lowered the minimum age for the military draft age to 18, at a time when the minimum voting age (as determined by the individual states) had historically been 21. “Old enough to fight, old enough to vote” became a common slogan for a youth voting rights movement, and in 1943 Georgia became the first state to lower its voting age in state and local elections from 21 to 18.

At a White House ceremony attended by 500 newly eligible voters, Nixon declared: “The reason I believe that your generation, the 11 million new voters, will do so much for America at home is that you will infuse into this nation some idealism, some courage, some stamina, some high moral purpose, that this country always needs.” Though newly minted young voters were expected to choose Democratic challenger George McGovern, an opponent of the Vietnam War, Nixon was reelected by an overwhelming margin—winning 49 states—in 1972. Over the next decades, the legacy of the 26th Amendment was a mixed one: After a 55.4 percent turnout in 1972, youth turnout steadily declined, reaching 36 percent in the 1988 presidential election. Though the 1992 election of Bill Clinton saw a slight rebound, voting rates of 18- to 24-year-olds remained well behind the turnout of older voters, and many lamented that America’s young people were squandering their opportunities to enact change. The 2008 presidential election of Barack Obama saw a voter turnout of some 49 percent of 18- to 24 year-olds, the second highest in history.

The History of Voting Rights

- The Framers of the Constitution purposely left the power to set suffrage qualifications to each State.
- **Suffrage** means the right to vote. **Franchise** is another term with the same meaning.
- The **electorate** is all of the people entitled to vote in a given election.
- Initially, the right to vote in America was limited to white male property owners.
- Today, the size of the American electorate is greater than 220 million people. Nearly all citizens at least 18 years of age can qualify to vote.

DID YOU KNOW?

Help keep the children and young people in your parish safe. It is important to understand how we, as Catholic adults, can make a difference in protecting the lives of our children and young people. Every adult, whether they are parents or not, can contribute to the safety of children in a variety of ways. Be a trusted adult in the lives of the children and young people around you, so that they can turn to you when they need help. Stay up-to-date on the Church's policies and procedures regarding child safety, and speak up if you see something that falls outside of them. Caring adults who are invested in the safety of our most vulnerable Church members can and are protecting children every day. For more information see The Archdiocese of Los Angeles Administrative Handbook Chapter 9: Safe Environment: <http://handbook.la-archdiocese.org/>

¿SABÍA USTED?

Ayude a mantener seguros a los niños y jóvenes de su parroquia. Es importante entender cómo nosotros, como adultos católicos, podemos hacer la diferencia protegiendo a nuestros niños y jóvenes. Cada adulto, sean padres de familia o no, pueden contribuir a la seguridad de los niños en una variedad de maneras. Sea un adulto que ofrece confianza a los niños y jóvenes a su alrededor, para que ellos a su vez acudan a usted cuando necesiten ayuda. Manténgase al día con las políticas y procedimientos de la Iglesia en lo concerniente a la seguridad infantil, y cuando vea algo que caiga fuera de esas normas repórtelo. Los adultos cuidadosos, que se preocupan por la seguridad de nuestros miembros más vulnerables de la Iglesia, pueden y están protegiendo a los niños cada día. Para más información vea The Archdiocese of Los Angeles Administrative Handbook Chapter 9: Safe Environment (El Manual Administrativo de la Arquidiócesis de Los Ángeles – Capítulo 9: Ambiente Sano): <http://handbook.la-archdiocese.org/>
